FROM: Paul B. Baker, Minerals Program Manager

SUBJECT: Letter from James Petersen, Henrietta (Black Hills) and Henrietta #21 Quarries, S/003/0028 and S/003/0029, Box Elder County, Utah

On January 14, 2010, the Division received a letter from James Petersen saying he would reclaim the Henrietta (Black Hills) quarry and that he would increase the surety for the Henrietta #21 quarry. Earlier, he telephoned and talked with Lynn Kunzler asking the Division to disregard the letter. Instead, he indicated he will submit an amendment to the Henrietta (Black Hills) NOI to reduce the permitted acreage to one acre and that he would provide additional surety for one acre for both the Henrietta (Black Hills) and the Henrietta quarries.

He also verbally requested (and will follow up in writing) to extend the time to provide the increase to May, 2010.
